

THE 3RD ASIAN INNOVATION FORUM

Towards Better Asia :
Seeking New Possibilities of Innovation

Date August 29, 2017, 09:30 ~ 17:30

Venue Novotel Ambassador Gangnam, Seoul, Korea

Organizer Korea Institute of S&T Evaluation and Planning

Partners A Member of Science & Technology Policy Research and Information Center

For the last two years, Korea Institute of S&T Evaluation and Planning (KISTEP) has organized the Asian Innovation Forum (AIF) to open up channels of communication between the key actors in science, technology and innovation. The forum has led the way in bringing together innovative leaders, policymakers, and researchers to address the region's key innovation issues. We hope to continue this momentum and take the next step forward as a platform that drives innovation of the region.

This year, the 3rd Asian Innovation Forum will be held on August 29th in Seoul, Korea. Please join us in shaping the dialogue to explore and find collaborative solutions for better Asia.
